Zagreb

I have just become a part of the youth department of the Green Alternative "ORAH", which is a governing coalition "Možemo" in the city of Zagreb. The coalition "Možemo" won the last elections which were held 8 months ago. We're in the process of gathering members for the youth part of the Green Alternative "ORAH". I have decided to join the youth part of the Green Alternative "ORAH" because I've realized that our responsibility for our planet and the climate change shouldn't be only put on the adults, but the youth too. I want to contribute in spreading the youth Green network.
